

In the Supreme Court of the State of Alaska

Herbert Johnson,
Appellant,

v.

State of Alaska, CSSD,
Appellee.

Supreme Court No. S-17911

Order Returning Reply Brief and Excerpt

Date of Order: **5/26/2021**

Trial Court Case No. **3AN-18-09509CI**

The Reply brief and excerpt of record, filed on **5/20/2021**, are returned for correction, based on the following reasons specified by the law clerk who reviewed the brief and excerpt for technical compliance with Appellate Rules 212:

1: **Reply Brief:** As filed, the Argument section has four pages, only two of which are full pages. The Conclusion Section also has multiple groupings of pages, none of which were numbered sequentially on the bottom. Please number the bottom of all of the pages in the order you intend them to be presented and in the location you want them, or re-write the brief. Please do not clip pages to another page without numbering the bottom of each. An additional copy of a blank brief, as well as a sample brief are enclosed to assist you. Appellant is also reminded that this appeal is from trial court case number 3AN-18-9509CI, **not** 3AN-18-9300CI.

2: **Excerpt:** The Excerpt is rejected for substantial non-compliance to App. Rule 212. Enclosed is a copy of the Clerk's Instructions for Preparation of Excerpts for your reference. Additionally, some of the documents appear to be those excluded by Order dated 5/21/21 and/or are not part of the trial court record on appeal. Appellant is reminded that he may reference the record which was prepared by the Appellate Court
